

Thank you for your interest in Crisp and Crumb.

Any scone, cookie, brownie, specialty bars, biscotti, can be made to order and available the next day. If you are within 10 miles of Lebanon, Ohio, we can deliver your order. We are not capable of shipping yet. If you are outside of the 10 mile radius, we would be happy to arrange a pick up time. If you are wanting to order a cake, I will need two days advance notice. I bake simply frosted cupcakes, bundt cakes, and sheet cakes. If you need something more intricate, (I don't work with fondant; my daughter handles those orders), we would need one to two weeks (depending on what design you have in mind). Please call or text to order today!
